## ST902 Medium Pendant

The ST902 Medium pendant infuses surrounding surfaces with striated light, which wafts through natural birch or cream-colored Bolivar shades—the warmth bringing an entire space an earthy glow in either wood's tone. The fixture also comes in a copper-brushed aluminum version. Tom Rossau expresses his Danish roots to infuse these fixtures with the quintessential naturalness that seems to come to so effortlessly to him and his countrymen (and women).
