Par Pendant

The PAR 38 spotlight (PAR an acronym for parabolic aluminized reflector light for the uninitiated) was the inspiration for the streamlined shape of the Par pendant, designed by Broberg & Ridderstråle, with its slim top section and flirty skirt of a shade. Though this fixture is shaped like a bulb, its attributes stream far beyond the act of illumination.

Ordering Matrix

Model

8192101 = White
8192106 = Black
8192141 = Orange
8192195 = Gray

LED

1 x 7W GU10

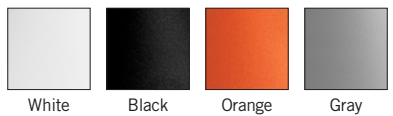

Finish

WHT = White
BLK = Black
ORG = Orange
GRY = Gray

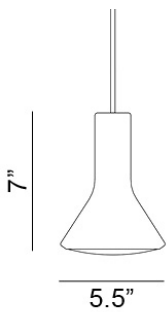

Fixture as shown

8192195	LED	GRY
Silo Pendant	1 x 7W	Gray

Finishes
