## Arigato Ceiling 45

Design by: Filip Despot, Ivana Pavic & Tihana Taraba

Tihana Taraba, Ivana Pavic and Filip Despot of Grupa Products designed the Arigato Ceiling 45 Light with its sophisticated arrangement of minimalist shapes. Extending from a nimble ceiling mount, the two stems of the black swing-arm ceiling fixture create a crosshatch where they meet. Whereas many designers would have fastened the shade to the stem where the tall center cone meets the flatter disc, this talented design team chose to affix it near the shade's apex so that it reads to the eye as if it is floating. This version of the Arigato is a perfect choice for those looking for the least intrusive shapes possible for lighting solutions. This fixture is available in black and white.

### Ordering Matrix

#### Model

AR-C-45-B  
AR-C-45-W

#### LED

1 x 8W E26 A19 / 2700K / 800 Lumens / 90 CRI

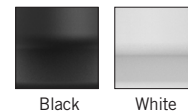

#### Shade

BLK = Black  
WHT = White

### Fixture as shown

AR-C-45	LED	BLK
Arigato Ceiling 45	1 x 8W	Black

### Shade

### Dimensions

Base: 7.75"  
Base Arm: 2.75"  
Middle Arm: 27.5"  
Shade Arm: 26.25"  
Shade Width: 17.75"
