Z2 Blond Cotton Cover Pendant

The Z2 Blond Cotton Cover pendant has a handcrafted blond bamboo frame sheathed in hand-knitted white cotton that leaves the upper and lower portions of the fixture uncovered for a luminous effect. The fabric, sourced from India, is tied to the frame by hand, the sheer quality of the delicately woven shade filtering the emitted light to a gauzy glow. The fixtures are “handmade” in the truest sense of the word so longer lead-times may apply and slight variations in the profiles of each pendant may exist.
