Z2 Blond Silk Cashmere Dark Pendant

The Z2 Blond Silk Cashmere Dark pendant has a handcrafted blond bamboo frame sheathed in hand-woven dark silk-cashmere that leaves the upper and lower portions of the pendant uncovered, the color and weave of this particular fixture lending it an almost tribal feel. The fabric, sourced from Afghanistan from a company that employs local women to knit shawls, is tied to the frame by hand, the textural quality of the woven shade filtering the emitted light to cast dreamy patterns on surrounding surfaces. The fixtures are “handmade” in the truest sense of the word so longer lead-times may apply and slight variations in the profiles of each pendant may exist.
