

Ay Illuminate

Z22 Blond Silk White Pendant

The Z22 Blond Silk White pendant has a handcrafted blond bamboo frame sheathed in hand-woven white silk-cashmere that leaves the upper and lower portions of the fixture uncovered for a luminous effect. The fabric, sourced from India, is tied to the frame by hand, the sheer quality of the delicately woven shade filtering the emitted light to a gauzy glow.

The fixtures are “handmade” in the truest sense of the word so longer lead-times may apply and slight variations in the profiles of each pendant may exist. Ay Illuminate keeps true to their commitment to protect the environment by producing this fixture free of any chemicals, preserving the beauty of these natural materials.
