

Hind Rabii

Esprit YA-YA 2 Pendant

Hind Rabii, who designed this family of fixtures, describes YA-YA as the center, the heart of a place. The fascinating contours of the Esprit YA-YA 2 pendant surrounds the heart of its light-source to create a whimsical profile. The spirit of this playful design imitates a keyhole through which light is spied, one through which illumination is sculpted and the reflection of light strikes undulant metal. The Esprit YA-YA comes in other subtly different organic shapes, each configuration available in glossy gold, glossy black and matte white finishes.
