ST903 Medium Pendant

Scalloped and effusively luminous with its arcing striations of light, the ST903 Medium pendant comes in natural birch, gray oak, black Bolivar and a brownish-black Zebrano multi-laminar—an environmentally friendly option for the beautiful but over-harvested species. Tom Rossau expresses his Danish roots to infuse these fixtures with the quintessential naturalness that seems to come to so effortlessly to him and his countrymen (and women).
