## ST906 Pendant

Design by: Tom Rossau

The chrysalis of the loveliest butterfly has nothing on the ST906 Pendant, as its natural birch or white-coated paper shade sheathing its illumination is so buoyant the radiance has no desire to stretch its wings and take flight like its animal equivalent is inspired to do. Tom Rossau expresses his Danish roots to infuse these fixtures with the quintessential naturalness that seems to come to so effortlessly to him and his countrymen (and women).
