## TR12 Large Pendant

Perfecting its pear-shaped pose, the TR12 Large pendant is a juicy morsel of light, its natural birch exterior diffusing its interior glow as deliciously as the ripest fruits of summer. The TR12 also comes in a white Polypropylene version, as well as in copper-brushed aluminum, gold-brushed aluminum and iron-brushed aluminum iterations. The TR in the name given to these fixtures represents the initials of Danish designer Tom Rossau.
