

Hind Rabii

ICE Absolut

Design by: Hind Rabii

The acronym ICE is Belgian for praline. Springing from the mind of Hind Rabii, the ICE Absolut pendant is a paradoxical bonbon of a fixture given its contemporary lines achieved in clear glass covered with a cap of gold, copper or silver leaf. The shape of a praline inspired the Belgian-based designer to emulate it, giving it a clear shell that is brimming with excitement when its light bursts forth.

Ordering Matrix

Model

ICEABSOLUT GL = Gold Leaf
ICEABSOLUT CP = Copper Leaf
ICEABSOLUT SLV = Silver Leaf

LED

2 x 3W G9

Color

GLD = Gold Leaf
