

Jacco Maris

Insider Pendant

Design by: Jacco Maris

Handmade in Holland not only has a nice “ring” to it, it means Jacco Maris’ fixtures exhibit exemplary quality and jaw-dropping style only a lover of experimentation could achieve.

While the Jacco Maris Outsider pendant hangs out and its adjustable version swings side to side, the Insider pendant gets jiggy with it! The pendant’s ingenious suspension system allows it to rock and roll in any direction to show off its luminous interior. The cast aluminum fixture comes in black, a bronze aluminum and white, and don’t be surprised if it winks at you if its kicky eye gyrates in your direction!
