

Jacco Maris

mrs.Q Floor

Design by: Jacco Maris

Handmade in Holland not only has a nice “ring” to it, it means Jacco Maris’ fixtures exhibit exemplary quality and jaw-dropping style only a lover of experimentation could achieve.

Is there any question why the mrs.Q floor lamp has curled its way into the hearts of design savants the world over? This kicky creation, designed by Jacco Maris, has a fabulous folded leather shade, available in five colors, perched upon a leather-clad or metal stand in steel. The shade can be ordered in natural, cognac, dark brown, black or green, and the nimble lady also comes in a wall version.
