## mrs.Q Wall

Design by: Jacco Maris

65"

Handmade in Holland not only has a nice “ring” to it, it means Jacco Maris’ fixtures exhibit exemplary quality and jaw-dropping style only a lover of experimentation could achieve.

Is there any question why the Mrs. Q wall fixture has curled its way into the hearts of design savants the world over? This kicky creation, designed by Jacco Maris, has a fabulous folded leather shade, available in five colors, perched upon a leather-clad or metal stand in steel. The shade can be ordered in natural, cognac, dark brown, black or green, and the nimble lady also comes in a floor version.
