

# Jacco Maris

## Outsider XL Pendant

Design by: Jacco Maris

Handmade in Holland not only has a nice “ring” to it, it means Jacco Maris’ fixtures exhibit exemplary quality and jaw-dropping style only a lover of experimentation could achieve.

The inspiration for the Outsider XL suspension fixture was a tractor headlight but its industrial chic demeanor is definitely greater than the sum of machined parts. Available in black, anodic brown and white finishes, the Outsider XL pendant measures 35.5 inches in diameter.
