

Jacco Maris

Outsider Pendant

Design by: Jacco Maris

Handmade in Holland not only has a nice “ring” to it, it means Jacco Maris’ fixtures exhibit exemplary quality and jaw-dropping style only a lover of experimentation could achieve.

The inspiration for the Outsider suspension fixture was a tractor headlight but its industrial chic demeanor is definitely greater than the sum of machined parts. Available in black, anodic brown and white finishes, the Outsider pendant measures 22.5 inches in diameter.
