

Jacco Maris

Paraaf Pendant

Design by: Jacco Maris

Handmade in Holland not only has a nice “ring” to it, it means Jacco Maris’ fixtures exhibit exemplary quality and jaw-dropping style only a lover of experimentation could achieve.

The Paraaf pendant was created by hand from a single strip of stainless steel, the inspiration for the curvy light fixture the pleated ruff collars and intricate signature flourishes popular during Elizabethan times. Exhibiting the organically flowing sophistication now a hallmark of Jacco Maris’ inimitable style, the Paraaf will likely become one of the designer’s “signature” pieces!
