

Jacco Maris

Solo 100 Pendant

Design by: Jacco Maris

Handmade in Holland not only has a nice “ring” to it, it means Jacco Maris’ fixtures exhibit exemplary quality and jaw-dropping style only a lover of experimentation could achieve.

Jacco Maris’ Solo 100 pendant fixture is named after a beloved dog, a wandering hound he found near Pompeii whom he called an Italian wonder-dog—the paw print on the fixture Solo’s signature! The body in aluminum is powder coated in two available colors: anthracite and white. The brass body is patinated in bronze.
