

Jacco Maris

Stand Alone Floor Lamp

Design by: Jacco Maris

Handmade in Holland not only has a nice “ring” to it, it means Jacco Maris’ fixtures exhibit exemplary quality and jaw-dropping style only a lover of experimentation could achieve.

The inspiration for the Stand Alone floor lamp was a tractor headlight, but its industrial chic demeanor is definitely greater than the sum of machined parts. Available in black, the statuesque fixture measures 57-inches tall.
