Snoob Large Pendant

Design by: Matteo Ugolini

Spreading its arms gracefully, the Snoob Large pendant pays homage to the ancient chandeliers ornamenting baroque palaces, but its reach toward simplicity brings it squarely into the most avant-garde idioms of modern style.

Designed by Matteo Ugolini, this family of pendants is available in lacquered aluminum in both black and white finishes, and in small and large configurations.

Ordering Matrix

Model

SE609B (White)
SE609N (Black)

LED

32 x 2.5W E12 Flame Tip

Incandescent

32 x 15.5W E12 Flame Tip
