Grid Wall

Design by: Front Design

Take your architectural style off the grid with Front Design's Grid wall. The wire fixture comes in yellow, orange, clear-painted gun metal or with a transparent golden-hued varnish. The raw finish to the metal makes this pendant a texture junkie's delight!

Ordering Matrix

Model

- 8135176 (Expanded Hole / Metal)
 - 8135177 (Expanded Hole / Gold)
 - 8135114 (Expanded Hole / Yellow)
