Trapets Pendant

Design by: Note Design Studio

The Trapets pendant, designed by Note Design Studio, has a story to tell! In 1859, a young daredevil swung through the air on the world's first trapeze and before long the circus act took flight at the Cirque Napoleon in Paris. Available in two lengths, the linear pendant comes with wooden knobs at the ends — choose from white, stained yellow, ash or stained black.

Ordering Matrix

Model

8200101US (Length: 55" / White)
8200106US (Length: 55" / Black)
8200301US (Length: 67" / White)
