

Zero

XM Wall

In those rare moments when you want your style statements to be whispery soft, the XM wall fixture designed by Joel Karlsson speaks the right language. The base is white-painted aluminum and the expanded metal body is topped with a matte opal glass shade. For stronger statements, the metal body is also available in black and copper.

Ordering Matrix

Model

8080106 = Black
8080178 = Copper
8080101 = White

F (Fluorescent)

1 x 40W Circleline T-5

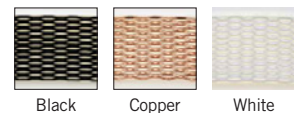

Finish
